

# VACANCY ANNOUNCEMENT

**Position: Communications & Outreach Officer**

**Salary Range: \$18,381 to \$23,371 plus generous benefit package**

**Closing Date: May 22, 2019**

If using your knowledge and interpersonal skills to support conservation efforts appeals and interests you, then you are the one we are looking for. The Palau International Coral Reef Center (PICRC) is Palau's leading research, aquarium and educational institution with a mission to guide efforts supporting coral reef stewardship through research and its applications for the people of Palau, Micronesia, and the world. The work of PICRC is locally, regionally and internationally relevant and contributes to better informed decision making, management and conservation of marine resources.

PICRC is seeking applicants for the position of *Communications & Outreach Officer*. This position will focus on bringing the work of PICRC to the people of Palau so that it can be utilized for conservation and adaptive management. Duties for the Communications & Outreach Officer include working closely with researchers to translate research results and communicate them in an appropriate format for the different relevant stakeholders, including the students of Palau. The Communications & Outreach Officer is also expected to work with the Aquarium Department in creating innovative and interesting educational displays for students and community members at the Palau Aquarium. The position oversees external and internal communication including website design, press releases, social media, and the Center's library.

This position requires at a minimum, a bachelor degree in communications, marketing, social sciences or other related fields.

To apply, please e-mail your CV, name of two references, and a cover letter to Ms. Mingrang Kloulechad at [mkloulechad@picrc.org](mailto:mkloulechad@picrc.org). For more detail about this announcement, please contact Ms. Geraldine Rengiil at 680-488-6950 or [grengeil@picrc.org](mailto:grengeil@picrc.org).
