PICRC Technical Report No. 15-04

December 2014

Tiare: Governors and CEO thanks for inviting me to this meeting. I have another workshop to go to for climate change

Yim – Thank you for coming last minute we know that there were a lot of other things going on and we really are happy you are here to endorse PAN's plans

Melekeok Kevin – maybe we can come up with a schedule of when we can present this to the management committee then maybe we can come up with a solid schedule
